

# Volunteer at North Springs HS & Lake Forest ES

**The Education Enterprise Alliance** (a strategic partnership of the **Sandy Springs Perimeter Chamber of Commerce, Sandy Springs Education Force & Junior Achievement**) is coordinating a program for the third year in row to help inspire and prepare the students of Sandy Springs to succeed in a global economy by volunteering with Junior Achievement. We are calling on our community members to support this initiative to help prepare our future workforce succeed in a challenging and dynamic world!

## How it Works

Community volunteers will be the instructors for the JA programs at Lake Forest ES and North Springs HS. Volunteers will be provided with turnkey materials, lessons outlines and training to facilitate hands-on activities with one classroom of students. Volunteers are highly encouraged to share their personal and professional experiences throughout the lessons.

## Why Participate in JA?

JA is a great way for community members and business people to have a profound impact on Georgia's future leaders. JA volunteers are equipped with the training, lesson plans, and materials they need to be successful.

Activities focus on entrepreneurship/entrepreneurial thinking, personal financial literacy, and workforce readiness. JA's programs also help students see the economic benefit of education.
