

## Sponsorship & Exhibitor Application

Sponsorships for our STEAM Showcase are critically important to our ability to provide programs to over 6,000 students each year. SSEF depends solely on the financial support of individual, corporate and foundation donors. Donations of all amounts allow us to provide materials, tools and resources that enable public school students in Sandy Springs to participate in after-school programs, robotics teams and clubs, college/technical school prep, mentoring, literacy programs and tutoring. **Thank you for being a positive force in our children's futures!**

### STEAM Showcase

#### (Please choose your sponsorship level)

Our last event impacted over 1700 high school and middle-school students and over 900 community members and elementary school students. Sponsorships provide STEAM after-school programs, field trips and opportunities in all public schools in Sandy Springs.

	Regent	\$20,000+
	Chancellor	\$15,000
	Provost	\$10,000
	Doctorate	\$5,000
	Masters	\$2,500
	Bachelor	\$1,000
	Graduate	\$500

### Exhibit Opportunity

This year, the event will include many opportunities for sponsors and exhibitors to showcase their organization's innovative technology and career opportunities. Exhibitors will have an opportunity to share videos outlining their organizations, programs and products related to STEAM pathways for students. In addition, exhibitors may lead live, virtual sessions to discuss their work with participants. SSEF plans to feature sponsors prominently on our website, social media and other communications and looks forward to highlighting videos that businesses provide long after the STEAM showcase is over. Participating is a wonderful opportunity to connect with your next intern or new hire! Sponsors ensure Sandy Springs Education Force can continue to create targeted programs that educate, inspire and prepare public school students in Sandy Springs for a competitive world!

- YES, we want to be an exhibitor at the SSEF STEAM Showcase.
