

Sandy Springs Education Force Presents Our 14th Annual STEAM Showcase March 13, 2024

Help us introduce students and the public in Sandy Springs to brand-new, next-generation technology, hands-on science, engineering, arts and mathematics exhibits and experiences!

Sponsors and exhibitors at this award-winning event make an immediate, positive impact on students in Sandy Springs! The daytime event touches over 1700 high school and middle school students. Over 900 community members and elementary school students typically attend the public evening showcase.

100% of exhibitor respondents last year said they would return. Many noted how exciting it was talking to students who are passionate about learning about STEAM opportunities.

Sponsorships enable us to offer after-school STEAM clubs to all public schools in Sandy Springs. Our student STEAM grant recipients display their projects at the annual STEAM Showcase. It's amazing to see how excited they are to talk about what they learned in their clubs and to witness their enthusiasm about technology and science.

Become a sponsor and enhance students' educational experiences while benefiting from visibility and publicity!

Sponsorship & Exhibitor Application

Sponsorships for our STEAM Showcase are critically important to our ability to provide programs to over 6,000 students each year. SSEF depends solely on the financial support of individual, corporate and foundation donors. Donations of all amounts allow us to provide materials, tools and resources that enable public school students in Sandy Springs to participate in after-school programs, robotics teams and clubs, college/technical school prep, mentoring, literacy programs and tutoring. **Thank you for being a positive force in our children's futures!**

	Graduate	\$500		Typeset		Yes	Typeset

Exhibit Opportunity

Join local business and government leaders, SSEF's business partners, media representatives and members of the Sandy Springs community to showcase your organization's innovative technology and career opportunities. You may even meet your next intern or new hire! Exhibitors showcase their hands-on, interactive, educational displays for high school and middle school students from 9:30 AM – 3:30 PM at North Springs High School. After a break, meet and greet other VIPs at a 4:45 PM reception, followed by the capstone showcase for the entire community from 6:00 – 8:00 PM.
