Sandy Springs EDUCATION FORCE

Educate - Inspire - Prepare

PUTTING THE WORLD WITHIN THEIR REACH!

A Legacy of Impact

As a small group of dedicated Sandy Springs citizens sat around Melanie and David Couchman's kitchen table in 2008, there was no way to suspect what the future might hold.

Now ten years later, over 60,000 children have been impacted by Sandy Springs Education Force's programs. Learning to love to read, supported by mentors and tutors, encouraged by after-school programs and inspired to pursue STEAM careers, our children have graduated high school and pursued college, vocations and military futures they might not otherwise have ever considered possible. All of our success is due to a very special formula: a unique combination of relentlessly dedicated Board members; generous volunteers who donate time, talent and financial help; a business and nonprofit community that fully understand the importance of educating every child; and a city council that provides unwavering support for its children. This 10th anniversary, we celebrate and honor the indomitable spirit and tireless efforts of you, our Sandy Springs community---for it is your exceptional commitment to our students that has made our impact possible.
