

Virtual Road Race and Step Challenge Sponsorship

**October 30 to
November 14**

**10K & 5K
Step Challenge**

Help Us Bridge the Academic Gap Your Support Makes a Big Difference

Sandy Springs Education Force has been at the forefront of supporting the educational successes of financially vulnerable students in Sandy Springs for over a decade. With support from our Footprints for the Future sponsors, we launched a brand new virtual tutoring program last year to help elementary school students stay on track with their academics during the pandemic emergency. We also expanded our successful Summer Book Club to ensure students did not lose their reading gains over the summer break. We anticipate many students are still facing vast educational gaps, especially children whose families have limited financial means. To help bridge this gap, we plan to continue to expand our programs to provide targeted learning support and outreach programs that will make a difference for these public school students.

Please support our Virtual Footprints for the Future Road Race to help our kids stay [on track](#) for academic success and graduation!

(Please check one box and select from sponsorship opportunities below.)

- ALL sponsorship levels can contribute to the swag bag, which will be electronic only.**
- YES, we understand race registrations and t-shirts are included with our sponsorship. We will receive a form to provide names and t-shirt sizes or let SSEF know our plans to donate them by **10/16.**
