

Once again this August, **Community Assistance Center** in cooperation with **Sandy Springs Education Force**, will open the door to the **Teacher's Closet** -- where teachers can request supplies needed for their low income students

This project not only provides students with the supplies that they need to learn, it also serves as a morale boost for our school's faculty. The Closet will eliminate the need for teachers to spend their own funds for needed school supplies.

To stock our "closet" we are accepting donations of new or gently used school supplies:

Binders	Expo markers - dry
Book Bags - Large	Index cards 3x5 and 4x6
Calculators	Glue sticks
Colored pencils	Graph paper
Composition notebooks	Loose leaf paper (college rule)
Three inch binders	Pencils: #2 and colored
Copy paper (ream white)*	Pens
Crayola washable thick markers*	Flash Drives
Dividers for binders	Zipper Pouches
Folders with Prongs and Pockets	Sharpies
